Acknowledgements

The EHRR would like to thank the Human Rights Centre at the University of Essex for funding the print publication of this special issue. Special thanks are due to John Packer, Director of the HRC, for his support, advice and help throughout this project, and also to Anne Slowgrove for her invaluable assistance. Craig Kirkpatrick of the Printing Centre has been enormously accommodating and his willingness to go over and over many details has been much appreciated. Silvia Casale, Carla Ferstman and Richard Harding, as well as contributing articles to *Preventing Torture in the 21st Century*, also helped us with our list of contributors and, indeed, put us in touch with various authors.
